

Dear Parents,

### This week's news

Many of you have noticed the new stage lighting that has now been installed in the hall. The staff are being trained on its use this week and we look forward to enhancing our performances throughout the year. A big thank you to everybody who has supported Friends of Burton Green fundraising events this year which has enabled us to buy this kit. After a massive spend, the coffers are now empty so please continue to support events during the year, Bags2Schools on Thursday. Hopefully the weather will have improved for the cricket match next week.

### The Head of the Green Leek Federation update

Governors have been working with the Diocesan Board of Education to amend the advert to attract the most suitable candidates for our federation. The advert will go live this week with interviews planned before the end of term.

Working with the DBE throughout the recruitment campaign has presented opportunities to work more closely with the Diocesan Multi Academy Trust. Our focus remains on delivering high quality teaching for all our children through effective leadership, ensuring the best outcomes for all. We will continue to keep you updated through the newsletter.
