Dear Parents,

This week's news

One of my highlights this week was a lovely visit to Maple Class. Everybody was clearly enjoying their number and calculation work. I was very impressed by the children's care and presentation.

Green Leek Year 6 worked really well together to share Peer Mediation training. This is an important part of our PSHE curriculum and enables Year 6 to support younger children in school as well as an activity that prepares them for secondary school.

A super end to the week was our cross country visit to Southam. I was really pleased that we were able to enter a boys and a girl's team this week. We witnessed some super running and everybody can be proud of completing this first course in style - well done Emily, Freya, Abigail, Tia-Mae, Ben, Eshan, Kiyana and Ted.

A special well done to Ben who came in 17th and to Tia-Mae, Freya and Abi who all finished in the first 20.

And a huge WOW! to the girls team who won this week's event. That is really a tremendous achievement!!!

The sporting theme continues with only 11 sleeps to go to the Green Leek 10K. It is still possible to register to run or to volunteer on the day.

We hope lots of you will join us at the finish to cheer the runner's home and to purchase some refreshments at the staff 'Bacon Butty Stall'.

We would like to invite adults in our village community to join Year 6 pupils from both of our Green Leek Schools (Burton Green Primary School and All Saints' Primary School) to join us on a shared visit to Bletchley Park and St Albans.

Whilst the children are having a tour of Bletchley Park and taking part in an Interception to Intelligence Workshop, adults will be able to explore, experience and enjoy the once top-secret world of iconic Code breaking Huts and Blocks set within an atmospheric Victorian estate. Café facilities are available or just bring a packed lunch.

In the afternoon we move on to the cathedral town of St Albans where adults will have time to visit the cathedral and the centre.
