Dear Parents,

This week's news

This has been an out and about Green Leek week for many children. It was a delight to be able to accompany all of our Year 6 children to Bletchley Park and St Albans last Friday. Everybody was totally engrossed in learning about the secret world of code breaking during World War 2. They enjoyed the challenge of breaking their own codes and applying their decoded messages in the Battle of the Atlantic. The team at St Albans reinforced our remembrance theme during our visit to the beautiful cathedral.

Working together and making friends was evident during the shared Reception visit to All Saints' Church on Monday. Many thanks to parents who helped transport the children and who supported activities.

If you like mud then the Priors Field Cross Country Race was certainly one for you. All of our team braved these conditions as well as crossing the brook. We saw some super running and extraordinary team work. Well done to Ben, Stephen, Jay, Abigail, Emily, Lois and Imogen. A special well done to Freya who came in 16th and to Emily who was praised by the race organiser for the tremendous way in which she supported her team members.

Class Highlights of the Week:

Maple Class: Maple Class would like to say a very big thank you to all of the parents in our class for the fundraising they have done to buy Wellie Wednesday kits for all of the Year 1 children too. We are looking forward to Wellie Wednesday this afternoon. A special thank you to Mrs Edington for ordering them all!

Cedar Class: We are really enjoying our new topic focusing on the four nations and loved making huge maps of London.

Damson Class: We have been reading biographies about Roald Dahl and looking at the features of these texts. In topic we have been investigating what a Victorian wash day would have been like.

Oak Class: We had an amazing day out visiting Bletchley Park (code breaking centre) and St Albans cathedral - we all learnt a lot and enjoyed spending time with our Green Leek friends. In Literacy we have been studying performance poetry which is a lot of fun.
