Dear Parents,

This week's news

Wow! What a wonderful Christmas Fayre. The school was buzzing with excitement all of Friday and Saturday. As a result of a lot of hard work by many people a huge £2475 was raised (TBC after final expenses received). Well done to everybody involved.

A big thank you to everybody who sent in donations over the previous weeks and who came to the fayre, to the band of loyal 'Friends of Burton Green' who work so hard behind the scenes for many weeks and on the day itself and to stall holders who came along to add to the fun of the fayre.

I would particularly like to thank the children who once again played a big part this year in making the fayre a success. Their great ideas maintained the 'fun of the fayre' throughout the afternoon. They had clearly worked hard preparing their stalls in all sorts of imaginative ways supported by their families. Well done, it was great to see so many of you taking part. As a result of your efforts the children's stalls raised a whopping £380. A special mention to Callum W who made a stunning £91 on his stall.

Thank you also for all your support on Children in Need Pyjama day, we managed to raise £98.80, a great success!

Celebration Assembly 30th November at 9.05.

Truly Brilliant

Maple: Ava

Cedar: Cormac

Damson: Maggie

Oak: Ben

Mrs Patterson: Savannah, Corey, Cormac, Hannah W (Y2).

Raising the Roof: Owen, Megan, Ruby

Bronze: Arne, James Wh

Super Cool: Maggie, Zach, Matilde, Ellie B, Olivia Ro, Tommy B

Megatastic: Zsofia, Ellie B, Isabella B, Ellie C, Hannah W (Y5), Savannah, Maggie, Skye

Mathlete of the week:

Foundation: Jensen

Key Stage 1: Samuel-Joel

Key Stage 2: Sophia

Class Highlights of the Week:

Maple Class: This week we are going to be exploring Space and will be learning lots of new facts! We are also looking at the change of seasons as we move into Winter.

Cedar Class: We have enjoyed reading poems by Benjamin Zephaniah and performing them in class. In our topic work we have been researching Scotland and its traditions.

Damson Class: We have been learning about animation through the ages & creating our own flip books. In literacy, we have been writing a biography about Florence Nightingale.

Oak Class: We have been busy rehearsing for our Christmas production. In Maths, we have been calculating fractions and percentages. In literacy we have written historical stories based in World War II. We are all looking forward to our Design Technology Day on Thursday.

Maple Class

We have seen many children coming into school and organising themselves really well. As we move towards the end of this term and into the new year we would appreciate it if parents would continue to support growing independence by encouraging all of the children to enter the classroom independently.

PE Kit

Would parents ensure that their child has a simple Burton Green PE kit in school for all PE lessons: black shorts, white T shirt and black pumps. Football kits and other sportswear should not be worn for PE lessons.

Countdown to Christmas

Saturday 2nd December

9.45 Final Cross Country Race of the year. Priory Park Warwick

Staff INSET Day

Monday 8th January

Children return to school

Road safety

Could parents please remember to not park or drop off children on the yellow zig-zagged area outside of school. This area should be kept clear at all times to keep our children safe. Thank you.

Could you please remind your children to be careful when crossing the Driveway leading down to the water tower (next to the new land). Due to building work, there are a number of vans and contractor vehicles using this road, so please take care.

Burton Green Bonus Contact Mrs Caz

Thompson 07580 253402 between 7am and 7pm daily.

Friends of Burton Green Making a difference!

HS2 Drop In session

Next HS2 drop in session is on Dec 4th at the Village Hall. 4pm - 6pm

theKenilworthCentre are proud to launch the region's first
Community Imagineering Project

- a hands on engineering project, led by a professional engineer.

The course will run between **6pm and 8pm** on the following dates:
Wednesdays - 29th November, 6th December and 13th December 2017.

Are you interested in science, maths and technology – or do you just like making things? If so this course could be for you

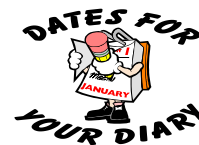

This project is for young people in **Year 6 and above!**

Young people will be making a hydraulic robot that they can take home at the end of the course! – like the one above!

A cold snack will be provided at 6pm on each evening.

Total cost will be £15 and **£5 deposit will be required to secure your place!**

Places are limited – please request an enrolment form from honeycusev@thekenilworthcentre.com
