Dear Parents,

This week's news

We have quickly come to the end of another term, and another year full of fond memories.

Just like the year, this week has been an exceptionally busy one with lots of fun and excitement alongside regular aspects of the curriculum continuing to the end of term.

We have enjoyed the beginning of our Christmas celebrations and these are set to continue through this week.

I hope you enjoyed the Christmas performances as much as I did. I would like to thank the children for their memorable performance of 'It's Christmas'. Great singing, acting and dancing was on view for us all to enjoy. Enthusiasm and big smiles were evidence of how much the children clearly enjoyed performing their parts and worked together as a great team. A big thank you to the staff team who worked with the children to make this possible. As we turn our attention this week to a traditional celebration, I hope that you will join us tomorrow (Thursday) for our Carol Service when our Reception children will be presenting their nativity.

2017 has been a happy and exciting year with many additional challenges that have now been wonderfully resolved. I am delighted that a new Head of the Green Leek Federation has been appointed and that we have been able to recruit such a suitable candidate as Mr Andrew Morris. As an experienced head teacher he brings a wealth of experience to the role as well as real enthusiasm for teaching. I wish him great happiness and success as takes up the greatest job in the world.

As I come to the end of my final week at Burton Green, Green Leek and as a Head Teacher, I would like to thank each one of you for the part you have played in the life of the school, federation and personally. It has been a great privilege to be able to be part of this special school and village community. I wish you all the very best as the school moves into a new era and onward from strength to strength. I would like to wish you a very 'Happy Christmas' and New Year.
