Dear Parents,

It was a pleasure to see the children working so hard on their Batik work last week, depicting the Creation Story. I'm sure they are going to look absolutely fantastic when they are displayed within school.

I did miss everybody last week during the achievement assembly, so I am very much looking forward to being there tomorrow to celebrate everyone's achievements.

If I could again remind you all about talking to your children about stranger danger. There have unfortunately been a number of incidents reported across Warwickshire.

We have also been informed of work that is going to be carried out on Red Lane to resurface the pavement. Please take extra care as this will probably cause disruptions through the village.

I look forward to seeing you tomorrow when we will once again 'Reach for the Stars!'.

Magic Maths: James Wr, Oskar, Eddie, Max, James Wh

Class Highlights of the Week:

Maple Class: This week we are reading dinosaur stories and are enjoying 'Harry and the Bucketful of Dinosaurs'. We will be writing character descriptions and will be creating our own stories. Reception also had a fantastic 'Mucky Monday' at All Saints.

Cedar Class: We have enjoyed using our imaginations to create unicorn facts for report writing. We have also been practising reading the time and finding perimeters.

Damson Class: Year 5's enjoyed their Amazing Maths morning All Saints this week - building structures, identifying 3D shapes and calculating volume. Year 4's enjoyed designing their own rainforest animal and writing stories about them.

Oak Class: This week we have been writing newspaper reports about our topic Graffiti. In numeracy we have revised using key operations in word questions. We have also started to plan a piece of graffiti art.
