Dear Parents,

It was so lovely to see so many parents at our 'welcome to' meetings last night. It was a great opportunity for you to meet the teachers and learn about how the school operates and a great chance for the teachers to meet you all at the start of the year.

It was lovely seeing the children arrive at All Saints' today for their Peer Mediation training. It is always a privilege to see how the children react with each other and how friendships develop between the two schools. This area of work is an important part of our PSHE curriculum and enables Year 6 to support younger children in school as well as an activity that prepares them for secondary school.

Well done to the children who ran in the cross country race last weekend. I understand from Miss Villiers that they showed real determination and effort in their running. Well done.

Sorry I missed the celebration assembly last week. I look forward to seeing you all this week when we find out how our 'Rock Stars' are getting on and how many points our Athletics stars have scored!

It is getting very exciting as we prepare for the Green Leek 10k race on the 14th October. The whole team have been working really hard preparing everything to ensure it all runs without a hitch. I would like to say a huge thank you to the following companies who are all generously sponsoring the race. Without their help the race wouldn't be possible.

Huge thank you to:
Red materials, premier active, Cala Homes Leaders, Unit 1 vehicle services, Carpe Diem, The Leamington Therapy Centre, university of Warwick sports dept, The Warwickshire, Wanzl, Warwick Sports Shop, Morrison's, Brandon Hire, Leamington and Kenilworth Round Tables.

Class Highlights of the Week:

Maple Class:

In Maple Class we have been looking at the Season Autumn. We have collected Autumn leaves and discussed how the leaves have changed from the Summer. We have been painting pictures of animals we may find in Autumn including squirrels and hedgehogs.

Cedar Class:

Our hot task produced some fantastic work this week. I also enjoyed lots of enthusiastic parents at our Welcome meetings on Tuesday evening.

Damson Class:

This week we have been learning how to tell the time on the 12 and 24-hour clock and we have revised converting between analogue and digital times. In literacy, we have begun a new topic looking at fables and we have been retelling some of our favourites.

Oak Class:

We have been writing persuasive text regarding selling homes - looking at exaggerated language. In

numeracy we have been working on basic algebra problem solving. We had a fabulous day at All Saints on Wednesday doing our Peer Mediation training.

48 hour sickness rule

To ensure that we keep our children healthy and prevent the spread of bugs in school, we ask that any child who has had a vomiting bug does not return to school until 48 hours after the last time they were sick. Thank you for your cooperation.

Fruit at Break times

Fruit is available to all children in Reception, Year 1 and 2. Any children in the other years that wish to have a snack will need to bring one from home.

Easy payment & consent for School Trips

Just to remind parents that you can **both consent and pay online via School Money** for any trips. There is no need to bring in paper consent forms if you have paid and consented online, and it saves you having to find cash to bring in!

Newsletter Delivery

The newsletter goes out every Wednesday. We try to publish before lunch so that you are aware if your child has any awards and you wish to attend 'Celebration Assembly' at 9.05 on Friday.

Burton Green Bonus

Early Risers has been very busy since our return from the holidays!

Please can I ask that any ad hoc or extra attendances are booked either on Mrs Thompson's e-mail, mobile number or through the school office **in advance** (even if your child attends on a regular basis).

This will help to ensure the correct number of staff to pupil ratio, not to mention enough food!

There are still a lot of outstanding payments for this term's clubs. Prompt payment would be greatly appreciated.

Summer Camp Payments

Any days attended that were extra to your initial booking are now on School Money and will need to be paid for by the end of this week.

Easyfundraising works with over [2000 retailers](#) who have all agreed to pass a donation to Burton Green Academy when you shop with them. The Leigh Educational Foundation

The Residents' Association recently received this information from The Leigh Educational Foundation which may be of interest to some residents.

I'm writing to you on behalf of the Leigh Educational Foundation in order to publicise ourselves more widely to the residents of Burton Green.

The Foundation as a charity has been going for 308 years and was begun in 1710 by the Leigh family to give financial assistance to young people in the parishes of Stoneleigh, Ashow, Leek Wootton and Guys Cliffe. Over the years young people in these parishes have benefitted considerably and both Leek Wootton and Burton Green schools as a combined Academy have benefitted too. However when Burton Green split from Stoneleigh and formed their own new civil parish, individual applications from the new parish have dried up!

I as Chairman of Trustees to the Foundation, would like to remind residents of Burton Green that you are not forgotten and we would welcome applications from young people living in your area. To that end I attach a flyer which I hope may be useful for you to email out to residents, perhaps include in the next Bugle and put up on your Village Hall noticeboard too?

I have spoken about the Foundation to residents at

an HS2 meeting in the Village Hall which at the time probably wasn't the best forum.

Many thanks and kind regards

Richard Coates
Chairman
Trustees of the Leigh Educational Foundation
