Dear Parents,

This week's news

Firstly a huge thank you to staff who have remained at Burton Green during this week and looked after all aspects of school organisation and for ensuring that everything has continued to operate smoothly. We couldn't take children away on residential without those who look after base whilst we are away.

We have enjoyed a super week away with Years 5 and 6 from both our Green Leek Schools. Through numerous experiences, we have explored the links between the invasion of England in 1066 and the liberation of France in 1944. - 'We, who were conquered by William' have liberated the land of our oppressor.' All of the children have thrown themselves (literally) into all the activities from the assault on Juno Beach to the respect shown at the British War cemetery in Bayeux. We have reflected on the miraculous impact of the Mulberry Harbour and the incredible flying of the gliders at Pegasus Bridge.

We have received many significant compliments about our behaviour and organisation as we have travelled on the ferry, around museums and even through Passport control late in the evening after a long journey. It was great to be with a group of children who showed such a reflective interest in so many different aspects of learning. Thank you and well done.

A huge thank you to all of the staff who made this adventure possible and for all your hard work 24/7 and even returning 'Rounders Champions!'

We will be awarding France certificates during the achievement assembly on 7th July.

Class News

Maple: The children in Reception really enjoyed their visit to the Gurdwara and Year 1 enjoyed reflecting on their trip there last year. We have now released all of our butterflies - it was lovely watching them fly off to look for flowers. We are really looking forward to our class assembly on Thursday too!

Cedar: We have really enjoyed practising our songs and lines for the class play about Jonah and the Whale.

Damson: Year 5 have been reflecting on their trip to France, whilst the Year 4's have been perfecting their problem solving skills in maths.

Oak: Year 6 have been writing diaries of our French trip to take home at the end of the year for their memory boxes. We have been busy finalising our enterprise projects and writing our own play scripts to perform at our end of year show.
