Dear Parents,

This week's news

End of Year Reports went out this week, I hope that you have received your child's. Over the last two weeks I have read what the teachers have written about each of the children and the over-arching view that I have received is what a tremendous amount of effort and hard work has gone in a wide variety of learning opportunities this year, both by children and adults. I hope you will take the opportunity on Monday evening to come along and look at your child's books and share with them some of their special moments of 2015-16.

Thank you to everybody who supported our Summer Fayre on Friday evening by sending in donations, helping on stalls and just coming along. It felt as if everybody was enjoying a lovely evening and even the weather was kind to us. As a result a massive £2,100 was raised.

We come to our final week with many events planned, all are listed below. Please come along and join us. Next Thursday please come dressed ready for Sports Day in your house colour if possible.

have also been learning about life at the seaside in Victorian times.

On Wednesday 6th July both Year 1 classes from Burton Green and All Saints enjoyed a morning of fun during our multi-skills festival at Burton Green. Cricket Festival

On Wednesday 6th July 2016, Damson class (year 4-5) travelled to Kenilworth Cricket Club for the Kenilworth Cricket festival (year 5 festival.) Damson class definitely had an enjoyable time. Usually, more schools from Kenilworth or (near to) would come to the exciting event but the festival was smaller due to the rescheduled date. At around 9:30am, Damson class arrived at Kenilworth Cricket Club for the festival. Then, all the schools (Park Hill, Leek Wootton and Burton Green) had a pep talk from the leading coach (Kelly). The Burton Green teams were called more exciting names than a, b and c. We were called the Tornadoes, Hurricanes and the Cyclones. The Tornadoes were competing in the A league for the Kenilworth title and the Hurricanes and Cyclones competed in the B and C leagues for the enjoyment of winning. Although, naturally it was more important that everyone had fun and improved their cricket in match conditions. After a lot of cricket and sporting opportunities the scores came out. The Tornadoes, after winning their first two matches and competing in the final, unfortunately lost to Park Hill A team, who played great cricket. The Tornadoes

Class News

Maple: We are enjoying programming Beebots in I.C.T. and are looking forward to having a go using them on the I pads. We are going to be hunting for minibeasts this week in Science too!

Cedar: We have enjoyed reading monster poems and generating ideas for our own monster poems. We

graciously accepted the defeat and were proud runners-up. The Hurricanes won all of their games winning their league after narrowly defeating Park Hill E team with some great catches and bowling. We had to admire the Park Hill E team's consistence and effort. The Cyclones played two out of three games but had brilliant games when they played them. Overall, the tournament was a success and thoroughly amazing. All teams had a variety of brilliant catches, runs and bowls and showed amazing sportsmanship. Damson Class can't wait for another opportunity like this!
