Dear Parents,

This week's news

This coming week we begin to widen opportunities for children to take part in various activities with children from other schools. This is an important aspect of their growing independence and ultimate transition to secondary school. I hope that they will all grasp these opportunities as they come along. We begin with taking part in the cross country league race on Saturday followed quickly by Peer Mediation training on Tuesday for Year 6. It is good to see so many children developing greater independence from the time they arrive in school and I will certainly be encouraging all children in Cedar class to continue to do this.

This excellent activity has now run for the last two years and we are pleased to continue it.
